Tour Information

Greetings Parents and Students,

Once again the band and percussion students will be participating in a spring tour in April of 2011. This year the band, percussion and choirs will be traveling together. This will be a very rewarding event and will provide our students with great experiences that will be educational yet fun!

Our tour this year will be a bit of a change from previous years and should provide educational experiences along with some great fun. All students will participate in music, clinics, performances and some cultural experiences. I have enclosed a "tentative" itinerary which will provide additional information.

This year's tour will be \$365.00 per student. Several fundraising activities will assist students with their payments. Both band and choir will have separate rummage sales to cover the expense of the charter busses which are an additional expense.

This years travel arrangements have been made by a travel company with an agent who has planned our travels in previous years. I have enclosed an enrollment form which should be completed and returned to me with a \$50.00 deposit by September 27. After making the initial deposit of \$50.00 payable to YHS all other payments will be made directly to LEAD USA. Students who have sold Entertainment Books may use profits from those sales toward their initial deposit.

We will need chaperones to assist with the many details and to help with student supervision. The cost per chaperone will be \$385.00 per person based on two adults per room. All those interested should send me an e-mail or send a note to me indicating your interest. Chaperones will make all deposits and payments to LEAD USA.

The first Payment of \$50 .00 should be made payable to YHS and submitted by September 27, along with the LEAD registration form.

Looking forward to a great trip with our students,

Randy Hyatt
